### Altruism In World Religions

#### **Religion, SpiRituality, and altRuiSm**

The world religions proclaim prosocial values (Hab-ito & Inaba, 2006), but it is still unclear whether these values translate into behaviors (Ellens, 2007) and whether they are really altruistic (Neusner & Chilton, 2005) Religious and atheist individuals have diverging opinions regarding whether or not religion promotes altruism

**Religious Prosociality: Personal, Cognitive, and Social ...**

Religious Prosociality: Personal, Cognitive, and Social Factors Morality, and the instruction for moral behavior, is a central theme in religion All major world religions explicitly teach prosociality as a virtue, and share some version of the Golden rule –treat others as you would want to be treated (eg, parable of the Good Samaritan, Luke

**The cultural evolution of prosocial religions**

Abstract: We develop a cultural evolutionary theory of the origins of prosocial religions and apply it to resolve two puzzles in human psychology and cultural history: (1) the rise of large-scale cooperation among strangers and, simultaneously, (2) the spread of prosocial religions in the last 10–12 millennia

**Altruism in Classical Hinduism and Christianity**

Altruism in Classical Hinduism and Christianity E CLINTON GARDNER\* N an effort to emphasize the similarities among the major living religions of the world, many contemporary writers give an oversimplified and distorted view of the characteristic teachings of the various faiths1 While they frequently acknowledge that
